

THE FUTURE OF TRADITION – A SAXOPHONE BLENDED INTENSIVE PROGRAMME

UPDATE!

We have decided to change the period of our intensive Sax Blended programme. The compulsory BIP programme will take place in conjunction with the Treviso Sax Festival from 28 August to 1 September (5 days). During these days students will be able to participate as auditors in all lessons, seminars and concerts. They will be able to participate as students in the activities of the sax orchestra. If they register for the festival, they will be able to take individual lessons with teachers (for all information, please visit the event's website <https://trevisosaxophonefestival.com/>).

Participation in the BIP will allow those who wish to do so to have individual lessons with Maestro Luis Lanzarini on the dates 3 to 5 September.

Participation in the festival is compulsory for BIP recognition, participation in Prof. Lanzarini's lessons is optional and free of charge.
